
Welcome to The Cubby Bear Wrigleyville!

Located across the street from historic Wrigley Field, the Cubby Bear Wrigleyville is "the place" for Cubs post-game parties. With over 30,000 square feet of space, you can enjoy live music, watch your favorite sporting event, choose your favorite dish from our menu (we're open late!), or attend a party in one of the private rooms overlooking the Wrigley Field Marquee. We have 5 projection screen TVs and over 75 plasma TVs throughout the bar so you can't miss a game! The Cubby Bear is also your Private Party Headquarters, with views of Wrigley Field from every private party room. Hit a "Homerun" this holiday season with Cubby Bear!
